| <b>MSBM424</b>  | <b>Centre Silencer</b>              | <b>1</b> |            |
| CHC79SS         | 79mm Band Clamp - 304 S/S           | 2        |            |
| <b>MSTIP251</b> | <b>Cerakote Black 4.5" Trims</b>    | <b>4</b> |            |
| CHC66.5SS       | 66.5mm Band Clamp-304 S/Steel       | 4        |            |

# MILLTEK

## TECHNICAL INFORMATION

|       |                                                                                                                                                                |
|-------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NOTES | OE Exhaust Requires Cutting.<br>Cut at the middle indent of the 3 marks on the OE pipework and deburr afterward.<br>Some later cars only have one OE cut mark. |
|-------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|

|       |                                                                                                           |
|-------|-----------------------------------------------------------------------------------------------------------|
| NOTES | F7105 and F7106 are replacement hangers for the OE hangers. Please fit in the same orientation as OE ones |
|-------|-----------------------------------------------------------------------------------------------------------|
